2ND LIVE COCHLEAR IMPLANT WORKSHOP

PROF. DR. YARLAGADDA SUBBA RAYUDU
COURSE DIRECTOR

DR. P. RADHIKA RANI
PROGRAM CO-ORDINATOR

It is with great pleasure that I invite you to the **2ND LIVE COCHLEAR IMPLANT SURGERY WORKSHOP** at Radhika & Rayudu Speciality Hospital.

The workshop is designed to **enhance the interest, knowledge, and surgical skills** of young ENT surgeons, with a special focus on implant otology. Having faced numerous challenges in my early days of learning this field, I was fortunate to train under esteemed mentors at various centers of excellence. Through their guidance, I have mastered both **POSTERIOR TYMPANOTOMY and VERIA TECHNIQUES** of cochlear implant surgery.

Now, as a **senior Cochlear Implant surgeon and mentor** at multiple national and international centers, I consider it my responsibility to **guide and support the next generation of otologists**. My goal is to **simplify and disseminate** the knowledge I have acquired, making implant otology more accessible to budding ENT surgeons.

I warmly invite you to attend this course and gain a **strong foundation in Implant Otology**. Looking forward to your participation!
